INTERNATIONAL DJ FOR CLUBS, FESTIVALS, LUXURY YACHTS AND ULTRA-LUXURY EVENTS

I LOVE TO PLAY WHAT PEOPLE LOVE TO HEAR.

TAVI is an international open-format DJ and producer. His home turf is ultra-luxury hospitality: resident on Seabourn and Scenic Eclipse, Inspirato charters along the Riviera and the Greek islands, resort residencies across Ibiza, Crete and Rhodes, and VIP parties at the Saudi Arabian and Hungarian Formula 1 Grand Prix.

He reads a crowd fast and treats every set as a conversation, not a playlist: peak-time EDM for a superclub, deep house for forty guests on a private deck. Behind the decks is a trained producer with official remixes for Universal Music and Global Records and a music degree from the University of Westminster, London.

Tech rider: pick the setup that fits your venue

Superclubs and festivals

Standard club rider

Players: 2–3 × Pioneer CDJ-3000 (or CDJ-2000NXS2), linked

Mixer: Pioneer DJM-900NXS2, DJM-A9 or DJM-V10

Monitoring: one or two booth monitors at DJ height, own volume control

Booth: stable table at hip height, cool and dry, two power sockets

Contact: sound engineer at soundcheck

Yachts, cruises, hotels, private and corporate

Simple all-in-one

Any one of these is perfect: Pioneer DJ / AlphaTheta XDJ-AZ, Opus Quad, XDJ-XZ, XDJ-RX3, XDJ-RX2 or XDJ-RX

Sound: your existing PA or speakers, ideally one small monitor

Space: a table about 1 m wide and one power socket

No gear? No problem. TAVI can bring a compact rekordbox setup, or a rental is arranged.

Laptop and connections

Plug-and-play

USB: plays from rekordbox USB on any Pioneer player, with nothing to install

Laptop welcome: rekordbox controllers such as DDJ-FLX10, DDJ-1000 or DDJ-REV7

Outputs: balanced XLR preferred; RCA or 6.35 mm jack also fine

Space: room for a laptop beside the mixer, plus a power socket

Final rider confirmed per booking. Former sound and light technician, happy to advise on any setup.
